CRS, Inc., Exhibiting at the CoreNet Global Summit in San Diego, California.

WEST LONG BRANCH, NJ – Corporate Real Estate Services, Inc. (**CRS**), a national lease audit services firm and tenant advocate, will be exhibiting for the 20th time at the CoreNet Global Summit, to be held this spring in San Diego. The 4-day Summit, May 4th through May 7th, will be held at The San Diego Convention Center, where over 3,000 Real Estate Professionals will meet to network, share best practices and discuss today's Global Real Estate Talent.

Come visit Booth **#430** where **CRS** will gladly demonstrate its proficiency, knowledge and talent in the field of Real Estate Lease Auditing and see what sets them apart from the competition. **CRS** firmly believes that their combination of expertise and technology is unmatched in the industry. At **CRS**, service starts and ends with excellence in communication by keeping their Clients informed of their lease audit programs. Their firm was the first in the industry to introduce 24/7 online access to their Clients. **CRS**, "The Lease Specialists", offer services such as, lease auditing, lease consulting, and lease administration to commercial tenants nationwide. As a member of CoreNet and as an affiliate of several Real Estate industry related organizations, **CRS** increases exposure and access in the industry to reach a nationwide base of customers.

In 1990 Corporate Real Estate Services, Inc. (**CRS**) was created to be the premier source of expertise and systems to understand, evaluate, and track leased real estate occupancy expenses. **CRS** works only for tenants, helping them to identify and attain cost savings by eliminating lease-related billing discrepancies. **CRS** works on behalf of office and retail tenants to identify billing discrepancies, recover rent overpayments and ensure that the landlords billing practices comply with the original lease terms. Since 1990, **CRS** has audited and administered thousands of leases recovering over \$200 million in savings for their clients and provided a wide range of consulting services to improve the operation and cost effectiveness of managing real estate assets. Whether auditing one lease or providing services for a national portfolio, **CRS** focuses on building relationships. As an extension of their clients' real estate operations, **CRS** has valued clients with whom they have developed strong working relationships with throughout years of service.
